BUSINESS ADVERTISING, EVENT SOUVENIRS, SPORTS TEAMS, FUNDRAISERS

From business promotions to event souvenirs, Solpod private labeling gives you the opportunity to provide a unique product as a constant reminder of your company. What makes Solpod stand out from the majority of all portable instant heat sources in the market place can only be used **one time** then thrown away. Solpods allow you to help the environment by creating less waste with a re-usable product and they can be used over and over again. Solpod offers our two most popular sizes for private labeling and we can provide most colors requested from colored PVC to your logo. Minimum quantities for private labeling start at just **250** pieces with Your logo printed on the front of the pod and instructions printed on the back. Solpod offers FREE set up on all orders and FREE shipping on 4 inch pods at 250 pieces.
